Fees: \$450,299.50, Total Hours: 322.6

Special Committee/Investigation Issues

Fees: \$27,503.00, Total Hours: 17.1

- Under this project category, Davis Polk assisted and advised the Special Committee of the Debtors' Board of Directors (the "**Special Committee**"). Specifically, Davis Polk:
 - Advised the Special Committee on issues concerning the indemnification of the Debtors' employees, litigation and other issues within its mandate; and
 - Advised the Special Committee regarding the status of ongoing bankruptcy proceedings.

Actual and Necessary Expenses

17. As set forth in **Exhibit F** hereto, Davis Polk has incurred or disbursed \$123,653.84 in expenses in providing professional services to the Debtors during the Fee Period. These expense amounts are intended to cover Davis Polk's direct operating costs, which costs are not incorporated into the Davis Polk hourly billing rates. Only clients for whom the services are actually used are separately charged for such services. The effect of including such expenses as part of the hourly billing rates would unfairly impose additional costs upon clients who do not require extensive photocopying, delivery, and other services. Davis Polk charges its bankruptcy clients \$0.10 per page for photocopying and printing job expenses. On several occasions, overnight delivery of documents and other materials were required as a result of circumstances necessitating the use of such express services.

18. Regarding providers of online legal research (e.g., LexisNexis and Westlaw), Davis Polk charges all of its clients the standard usage rates these providers charge, which, due to contractual flat fees, may not always equal Davis Polk's actual cost. Davis Polk currently is under contract to pay these providers a flat fee every month. Charging its clients the online providers' standard usage rates allows Davis Polk to cover adequately the monthly flat fees it must pay to these types of providers.

19. Davis Polk has made every effort to minimize its expenses in the chapter 11 cases. The actual expenses incurred in providing professional services to the Debtors were necessary, reasonable, and justified under the circumstances to serve the needs of the Debtors, their estates, and other parties in interest.

Davis Polk's Requested Compensation and Reimbursement Should Be Allowed

20. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered ... and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including –

- (a) the time spent on such services;
- (b) the rates charged for such services;
- (c) whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- (d) whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- (e) whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

21. The foregoing professional services were performed by Davis Polk in an efficient manner, were necessary and appropriate to the administration of the chapter 11 cases, and were in the best interests of the Debtors, their estates, and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved. As required by the U.S. Trustee guidelines, annexed hereto as **Exhibit G** is a chart setting forth the comparative blended rates of the professionals and

paraprofessionals who rendered services with a corresponding comparison of rates for professionals and paraprofessionals not involved in these chapter 11 cases.

Notice

22. The Debtors will provide notice of this Application in accordance with the Interim Compensation Order. The Debtors submit that no other or further notice be given.

[Remainder of Page Left Blank Intentionally]

WHEREFORE, Davis Polk, in connection with services rendered on behalf of the Debtors, respectfully requests allowance of reasonable compensation of such services rendered in the total amount of \$9,793,559.50 and reimbursement of actual and necessary expenses incurred in the amount of \$123,653.82, for an aggregate total of \$9,917,213.34 for the Fee Period.

2. I have reviewed the *Sixteenth Interim Application of Davis Polk & Wardwell LLP for Compensation for Services Rendered and Reimbursement of Expenses Incurred as Counsel to the Debtors and Debtors in Possession for the Period from September 1, 2024 through December 31, 2024* (the “**Application**”) to certify to certain matters addressed in the (i) *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* entered on November 21, 2019 [ECF No. 529] (the “**Interim Compensation Order**”), (ii) Rule 2016-1 of the Local Rules of Bankruptcy Procedure, incorporating the *Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York Bankruptcy Cases* [General Order M-447], among other guidelines (the “**Local Guidelines**”), and (iii) *The United States Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 for Attorneys in Larger Chapter 11 Cases* effective as of November 1, 2013 (the “**U.S. Trustee Guidelines**,” and together with Local Guidelines, the “**Fee Guidelines**”).² The Application covers the period September 1, 2024 through December 31, 2024 (the “**Fee Period**”).

3. To the best of my knowledge, information and belief, the statements contained in the foregoing Application are true and accurate in all material respects and comply with the Fee Guidelines in material part. Davis Polk responds to the questions identified in the U.S. Trustee Guidelines as follows:

Question 1: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Interim Compensation Order.

Answer: Davis Polk has agreed to negotiated discounts off of its standard rates.

Question 2: If the fees sought in the Application as compared to the fees budgeted for the time period covered by the Application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Answer: Davis Polk's fees were lower than budgeted for this Fee Period.

Question 3: Have any of the professionals included in the Application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: No.

Question 4: Does the Application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices?

Answer: The Application includes time and fees related to reviewing or revising time records or preparing, reviewing, or revising invoices in connection with the preparation of four monthly fee statements relating to the Fee Period covered by the Application. Davis Polk is seeking compensation for approximately 383.1 hours and \$304,732.00 in fees related to reviewing and revising time records with respect to both the preparation of such fee applications, and reviewing time records for redactions as queried in question 5, which collectively represents approximately 3.1% of the aggregate amount of the fees requested.

Question 5: Does the Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify hours and fees.

Answer: The Application includes time and fees related to reviewing time records to redact any privileged or other confidential information. Such charges are included in the time charges set forth in the response to question 4 and are not separately calculated.

Question 6: Did the Application include any rate increases since retention in these cases?

Answer: The Application includes a customary annual rate increase for all timekeepers as disclosed in a supplemental declaration filed on the Court docket at ECF No. 7070. Prior annual rate increases for all timekeepers were disclosed in supplemental declarations filed on the Court docket at ECF Nos. 6091, 5317, 4259, 2219, and 703.

Question 7: Did the client agree when retaining Davis Polk to accept all future rate increases? If not, did Davis Polk inform the client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: The client agreed to annual rate increases as described in Davis Polk's retention application.
